ALUMINUM USB-C TO USB-A 3.0 ADAPTER

\$14.99

★★★★★(34)

Type-C USB is here – but that doesn't mean you can't use your old USB peripherals! Thanks to the Satechi Type-C USB Adapter, you can easily convert a Type-C USB port to a standard USB 3.0 port.

Nice that it has a

Nice that it has a cap to protect the small end and also a little loop so you can attach a lanyard. Very valuable for connecting devices and old USB files from my old Mac to the newer model. It even works on the USB DVD/CD player. Not all connectors work on that. Shipping and information about shipping was quite fast. Good company for these types ...[Read More](#)

ALUMINUM USB-C TO USB-A 3.0 ADAPTER

OUT OF STOCK

Help

These adapters work like magic. Turns a single cable and a charger into a charging leatherman. Purchase a Type-A to Type-C adapter and you are good to go.
