ViewSonic®
COMMERCIAL DISPLAY ACCESSORIES
VB-STND-007

Key **Features**

- Integrated ViewBoard on-screen control for better lesson delivery
- Motorized height adjustment for easy and fast access to ViewBoard
- Accessible design with large wheels for maximum mobility
- Smart space design to keep all cables and accessories organized
- Safety-centric features for secure learning environment

Product **Description**

The VB-STND-007 motorized trolley cart securely accommodates ViewSonic 55", 65", 75", and 86" ViewBoard interactive flat panel displays, or any similar displays weighing up to 75 kg. Thanks to integrated on-screen control, the trolley's height can be easily adjusted using the ViewBoard app toolbar without class interruption. Designed for safety and equipped with 360-directional quiet wheels, this mobile cart lets you securely and silently move the ViewBoard display from room to room for easy sharing of resources.
