

MAXIMUM FLEXIBILITY. BRILLIANT PERFORMANCE.

Lenovo™

The ThinkCentre Tiny-in-One (TIO) 27 is a large screen modular all-in-one that is not only compatible with the ThinkCentre Tiny, ThinkCentre Nano, and ThinkStation Tiny, but can also be upgraded independently. This feature-rich TIO also comes with the unique RGB-IR camera integrated with Windows Hello log in and ThinkShutter camera cover for robust security. Moreover, this device enables you to effortlessly multitask with an array of advanced ports. From content creation to consumption, this widescreen TIO with a larger screen real estate allows you to enjoy unimpeded clarity.

ThinkCentre TIO 27

ThinkCentre TIO 27

ITDM Benefits

Security

The RGB-IR camera integrated with Windows Hello ensures authorized log in only. Moreover, with the ThinkShutter camera cover your privacy is never compromised. The Kensington™ lock slot ensures physical security of the TIO by locking it down to an immovable object.

Flexibility

This versatile TIO is compatible with the ThinkCentre Tiny Series, the ThinkCentre Nano Series, and ThinkStation Tiny Series desktops.

Upgradability

The TIO 27 allows easy upgrades of the monitor and the desktop independently without incurring additional cost.

Superior Display: the 27-inch widescreen QHD, anti-glare, In-Plane Switching, borderless display offers a resolution of 2560 x 1440 pixels. Work on complex datasets and intensive content creation tasks without missing out on finer details.

Simplified Login: the RGB-IR camera with Windows Hello Facial Recognition ensures secure login access, keeping unauthorized users at bay.

Space-saving Design: the compact design of the TIO 27 allows for ample desk space as the desktop fits snugly behind the monitor. Moreover, the VESA Mount enables you to wall mount the device for extra cubicle space.

Hassle-free Connectivity: experience increased efficiency with an array of input/output ports such as front-facing USB 3.1 port and HDMI, DP ports. With the support of a ThinkCentre or ThinkStation Tiny, the TIO 27 allows you to connect an additional display for seamless multitasking.

Accessories

Lenovo Professional Wireless Keyboard & Mouse Combo

(PN: 4X30H56796)

The Lenovo Professional Wireless Keyboard and Mouse Combo is a full-size keyboard and mouse combination in a modern wireless solution. The slim 3-zone keyboard with number pad features responsive, quiet keys for a premium typing experience. The one-touch dedicated media keys put the controls you use most at your fingertips. The ergonomic full-size mouse provides comfort and support for all-day use.

Lenovo FingerPrint Biometric USB Mouse

(PN: 4Y50Q64661)

The Lenovo FingerPrint Biometric USB Mouse offers enhanced input functionality with an integrated fingerprint sensor for password-free authentication. It features a 1600dpi resolution with an optical sensor for precise tracking and an ambidextrous design for more fluid control and ergonomics.

MicroSaver 2.0 Cable Lock

(PN: 4XEON80914)

Engineered to be the smallest, strongest lock for laptops and other devices, the MicroSaver 2.0 represents the next generation of device security. The MicroSaver 2.0 was developed using strict specifications, patented technologies, and rigorous testing against tough environmental conditions, and can stand the test of time in a smaller, compact size without compromise.
