

MAINSTREAM COMPUTING FOR A VARIETY OF BUSINESS USES

Lenovo V30a 24IIL

Smarter
technology
for all

Lenovo

This 23.8" all-in-one, with up to 10th Gen Intel® Core processors, will modernize any space with its sleek design and anodized aluminum stand. It includes a low blue-light mode which reduces eye fatigue, and an optional camera with privacy cover. It supports both Amazon Alexa and Microsoft Cortana voice assistants, enabling busy users to interact hands-free with the device, for example to look up information, or have emails read aloud.

REASONS TO BUY

Lenovo Shield gives system administrators new ways to manage data, including the ability to disable specific USB ports, set up HDD passwords, and quickly perform a 100% data wipe on an installed drive – useful when the device is being recycled or transferred to another user.

The Smart Conference feature detects the number of people in front of the computer and optimizes the audio experience; either minimizing background noise or detecting voices from multiple directions.

Optimized to reduce energy costs and minimize noise with Energy Star 8.0, EPEAT™ Silver and Ultra Low Noise certifications.

Stylish, space-saving and packed with productivity features, Lenovo V Series All-in-Ones include rotating webcams, adjustable stands and non-reflective screens.

Lenovo V30a 24IIL

Recommended for this device

Lenovo Desktop Privacy Filter from 3M

Patented microlouver technology darkens the screen at specific angles to protect against visual hackers

Available in a range of sizes. Includes adhesive strips for easy residue-free removal and multiple on-and-off uses

Reduces glare from bright computer screens and overhead lights

Lenovo Kensington MicroSaver Cable Lock

Cut-resistant cable lock to protect against device theft; 5ft/1.5m cable anchors to desk, table or any fixed structure

Tamper-resistant, disk-style lock provides near-impenetrable theft protection, but still allows users to pivot and rotate devices

Fits a wide range of devices and docking solutions based on the Kensington slot design. Dual head locks available to secure 2 devices to one cable
